CAREER OBJECTIVE

Aspiring Full Stack & Android Developer with live projects. Skilled in building responsive websites and managing Android apps with local databases. Looking for a challenging internship to apply my coding skills.

WORK EXPERIENCE

Frontend Development • Internship

Internpe, Virtual

Jul 2025 - Aug 2025

Completed a 4-week intensive remote internship focused on frontend web technologies.

Designed and developed responsive web pages using HTML5, CSS3, and JavaScript.

Worked on optimizing UI components to ensure mobile responsiveness and fast loading speeds.

Collaborated with the team to fix frontend bugs and improve the overall user interface of the web application.

EDUCATION

Bachelor of Computer Applications (BCA), Computer Science & Engineering

ARYA (P. G.) COLLEGE, PANIPAT

2023 - 2026

PORTFOLIO
